CAUSE

On January 5, 2006, Mr. Lewis was released from imprisonment. The Court ordered the offender to abstain from the use of alcohol and to submit to urinalysis testing based on the offender's history of substance abuse. In order to comply with the United States v. Stephens (9th Cir. 2005) case, the probation office is requesting the Court modify the urinalysis condition which limits the number of urine specimens collected from this offender to not more than six (6) per month.

The offender has signed a waiver of hearing agreeing to the above-noted modifications to his supervised release. The waiver is attached.

Respectfully submitted,
